

Media Arts II

Sorry guys, but I feel like
death....however, you have a
deadline TODAY.

Look on the website if you don't believe me

The screenshot shows a web browser window displaying a Wikispaces page for 'GeorgeWashingtonArt'. The browser's address bar shows the URL 'georgewashingtonart.wikispaces.com/Deadlines'. The page has a dark header with the site name, a search bar, and user links. The main content area is titled 'Deadlines' and lists project dates. A right-hand sidebar contains navigation links.

Here is what you turn in:

- Your new and finished 2nd project!
- One page of research on the artist that has inspired you, including (through writing) how they inspired you...use of vocab here is important, their life, culture and meaning of their work.
- One page of compositional and medium experimentation. Where and what did you use?

Let's review that in case you weren't listening...

- Project.
- Artists Research (sketchbook/1 pg)
- Medium and Compositional experimentation (sketchbook/1 pg)
